

II
mm

CHARACTERISTICS:

- Tough, buckling- and break-resistant fiberglass tape
- Cold and humidity resistant
- High chemical resistance
- Electrically non-conductive
- Low weight
- Robust aluminum Y-frame
- Ergonomically shaped handle

PROSPECTOR F

Model	Length	Tape width
YF 30	30 m	13 mm/m
YF 50	50 m	13 mm/m

Technical details:

Item description	Measuring tape
Graduations	mm
EC accuracy class	II
Tape material	Fiberglass, yellow
End hook	Plastic ring
Housing material	Aluminum
Housing color	silver
Replacement tape	upon request
Housing form	Y-frame
Initial tape section	B
Crank gear ratio	1:1
