

LSS

Model	Length
LSS 150	150 mm
LSS 200	200 mm
LSS 300	300 mm
LSS 500	500 mm
LSS 1000	1000 mm

CHARACTERISTICS:

- Particularly flexible ruler, suitable for measurements on rounded shapes
- Wear-resistant, very easy-to-read scale
- Particularly resistant, corrosion resistant spring-steel
- High-resolution scale for particularly precise measurements

Technical details:

Item description	Steel ruler
Material	Stainless spring steel
Surface	polished
Graduations	mm/cm, 2-piece, etched on both sides
Scale grid	0.5 mm
Width	13 mm
Thickness	0.5 mm
